

Annual Catalog

Vol. 32

January 2018

A Note from E

Thirty-two years ago, my parents started this company in our small living room. I joined them full time 22 years ago and one of the highlights of my gig is writing this greeting to you.

The industry offers thousands of balloon designs. We analyze industry sales data to bring you the very best sellers in each category featured. We also have many new candy gift products in here designed to be perfect grab-n-go gifts in your stores.

In addition to this catalog, our website (ersales.com) will show you new products as we introduce them throughout the year. And, you can watch our funny, short videos. They aren't fancy but they are educational and hope you can use them in training your store team to drive sales.

On behalf of our team, you have my deepest thanks for taking the time to shop the catalog and choosing E&R as your vendor. After all, it's your continued business that makes ours possible.

With deep gratitude,

Elissa Mast

Shipping

All orders are shipped FedEx Ground service, FOB Midlothian, Virginia. UPS Ground and Next Day Air services are available by special request. Orders normally ship within 24 hours.

Minimums/Payments

Our minimum order is only \$50. Orders less than \$50 have a \$5.00 processing fee. We accept Visa, MasterCard, and Discover. To apply for terms, email us at customerservice@ersales.com or call us. There is a \$35 fee on all returned checks. Virginia customers are required to provide a signed resale certificate to waive payment of sales tax on resale merchandise.

Placing Orders

Call us at 1-804-744-8000 between 9 am - 5 pm EST, Monday - Friday. Orders may be faxed 24 hours a day/7 days a week to 804-744-5125. You can order online 24 hours a day/7 days a week on our website - www.ersales.com. We also have a national team of sales reps that can assist you.

Claims for Defective Merchandise

FOIL BALLOONS: We stand behind our products and you. We will replace or offer credit towards future orders for foils that are defective due to the manufacturing process. We cannot offer credit if the balloon has been cut open, slashed or punctured, exposed to extreme temperatures or moisture, or balloons that have torn necks. Balloons must be returned for credit at customer's expense. Balloons deflated by stabbing will not be credited to your account. Please contact us for an RA#.

LATEX: No credit is given for individual latex balloons - only full bags.

PENS: The shelf life of gel pens is approximately 6 months. Any defective or damaged writing instruments must be claimed within 30 days of invoice. Pens returned after this time will not be credited.

RETURNS: All pre-approved returns are subject to a 20% restocking fee. Please call for an RA#.

Prices

Prices are subject to change without notice. Unfortunately, not all of our costs are within our direct control and occasionally prices will need to be adjusted from those in the catalog. We have assigned each balloon a code so that we can update pricing as needed. It is the customer's responsibility to inquire about price changes when placing orders. We are not responsible for printing errors.
